SUMMER ACTIVITY

What a summer! Last year competitions were cancelled because of the very wet weather and this year, many were cancelled or poorly attended with the very hard ground. Despite this, the Paxtons' field stayed rideable longer than most and we had a good dressage and show jumping competition on July 14th. 33 dressage tests were ridden and 17 people entered the clear round competition with a total of 9 clear rounds. Liz Matthews, the dressage judge, very kindly agreed also to judge and then give advice to 2 members of our Horse Trials team doing their long arena test. This was really useful ride-through on grass and teach-in for Andrew Parry and Caroline Thompson who were hugely appreciative. You can read how they got on at the championships later in the newsletter.

Following the members survey about what you want from our members' competitions, we tried a new format of a training competition. Riders booked for a particular height and received training followed by a competitive round of jumps. Riders found this useful and it was such a friendly event, in the end the rosettes were put in a hat and people picked a rosette at random!! Hence there are no results to report.

After the three competitions that count towards the show jumping accumulator, these are the rankings. Well done to Ros Bolt and Ted.

We had a lovely evening for the Bar-B-Q at Mill Barton. This was well attended and the highlight of the evening was without doubt Frances King riding the inflatable flamingo in the pool. Many thanks to Caroline and David Lowes for hosting, Annie Bear for organising the food and to all those who contributed salads and desserts.

WRC Racing Yard visit Monday 3rd August 2018.

We owe Nigel and Katherine a very big thank you for an interesting and informative visit to Thorne Farm National Hunt yard in August. We started off with a cup of tea or coffee and an introduction from Nigel. He clearly does it for love of the job, both the horses and the sport - not the money. His horses are treated as individuals and, as we went round the yard, most came to their doors to see us and were relaxed and friendly.

The 7yo big gelding, Speredek, winner of 7 races was paraded for us. One or two of us commented on the conformation of his front feet and Nigel told us that the horses only ever walk on the roads when coming back into work - all the rest of the time they work on an artificial (carpet fibre) surface. The 6yo black mare, Pearl Royale, who has won over hurdles and steeplechasing, was also brought out for us to see. We were all impressed by her presence and conformation.

We enjoyed the evening so much that we stayed very late, asking lots of questions! As a result, we have made a donation of £86 to the Devon Air Ambulance. Huge thanks to the Hawkes.

Laminitis Talk

The same week we had a very interesting talk on Laminitis by Hannah Dennis from Westridge Veterinary Practice. Hannah's talk was accompanied by useful slides and we all appreciated her wealth of knowledge. I think many of us were surprised to discover that laminitis were actually more at risk while the grass was short and dry but growing actively than from the long lush grass that followed in September. The evening ended with a cup of coffee and a choice of homemade cakes. Many thanks to Kin Gough for hosting us.

Very many thanks to all you brilliant helpers – We couldn't do this without you! Please let me know if I have forgotten anyone.

MEMBERS' NEWS

Just one bit of news from me – I have passed my exams to become an MSFC (Master Saddle Fitting Consultant). It hasn't given me much time for riding though! Jane Penfold

Carol Luxton has had a wonderful year on her 10 year old ID/Welsh cob, Foxy. Carol writes that *I have had Foxy 5 years now. She stag hunts regularly with me or Mum. She has been in the quadrille team and done pairs and individual dressage to music.*

This year she we started the season at Devon County for her first Working Show Horse class which is basically a Working Hunter class for cobs. She was 2nd and qualified for the British Show Horse Association (BSHA) National Championships which was held in the same week as the BRC Championships at Lincoln (see later in tis newsletter). She then did Bath and West and won there. Then onto Cornwall and Three Counties where she finished 2nd both times. We then did 5 Agriculture shows and she won all 5 classes including taking the championship at 3 of them! We then travelled to Addington Manor to the BSHA National Championships where we meet the big boys!! What a weekend to finish on - she was 2nd in the Restricted Show Horse and then went on to jump a fantastic clear in the Grand Prix final to finish 2nd. She's now having a well-earned rest before she goes hunting again!!

Not sure what else to write as I can't remember it all, we've travelled some miles this year. But I can say it's been worth it. At last I can say I think I'm enjoying Mrs Fox!!!

As many members know we have been waiting for our own first property for donkeys' years. Well, we have finally managed it. A gorgeous property with which we have built a bespoke yard alongside our home. Once established I will be offering equine rehabs and holiday cover I will send out a shout when I'm open for business. Debbie Dyke

Jenny Lo-Vel sent a couple of photos and writes, One of my horses, Holywell Cavaliere Classic, has qualified for Badminton next year in the Mitsubishi Motors Cup (90) She belongs to The Countess of Clarendon from Hampshire. She is 6 years old and qualified at her first attempt. She is a fabulous mare with a great record. I broke her in and did all the work so am extra proud of her!

TRAINING NEWS

We have a new training group planning and organizing the training. Sophie Marshall and Amelia Green continue and have been joined by Demelza Barnes, Kim Gough and Nicky Day.

Training Committee Report

Unfortunately some of the training events over the past few months have been undersubscribed and have had to be cancelled; I think this was due to the hot weather and hard ground as well as lots of people busy doing competitions and camps throughout the summer. This has meant that we have not had any cross country sessions over the past few months, however we plan to run some Arena XC through the winter. Thursday sessions with Mary at the field have been popular so we plan to continue these through the winter but at Mill Barton when the ground gets unsuitable. We also plan to use these sessions not only for show jumping but also open them up to people wishing to do pole work, grid work and flatwork too. The flatwork with Liz Loader has also been popular so we plan to continue these sessions going forwards as well.

The training committee have made a focus to continue the existing training that seems to be popular as well as trying to introduce new venues and instructors to broaden the types of training on offer. A focus has also been made to provide a larger variety of talks to heighten people's knowledge on a range of subjects. Forthcoming talks include a talk from a member of the police force and a plaiting and turnout talk, as well as a demonstration from Gillian Higgins - 'Horses Inside Out'. We will continue to use Downe Farm for show jumping, arena XC and dressage using Tim as an instructor as well as Vanessa for Flatwork.

This year prior to the Festival of the Horse Competition we are planning to organise an Arena XC Clinic with Andrew Lovell at Pontispool aimed at all members, but is particularly important for those wishing to practice before the FOH Area Competition. We also plan to continue the Janet Akner Clinics at Tabor Hill with one already proposed for the following date : Sunday 30th Sept. Again the session on Wednesday 19th September was very undersubscribed with just 2 people so we are hoping for more in the future! A Dressage Test Riding Day is also being planned as well as a Matthew Lawrence Showing Clinic. We are also planning to arrange some sessions with Chris Johnson as these have previously been popular.

Please keep a look out in the near future for dates and times and be open minded to trying new instructors and venues!!

TEAM NEWS

Earlier in the summer some of our members who entered the Area competitions, qualified for national championships. The Horse Trials 90 cms team of Jenny Lo-Vel, Emily Northam, Andrew Parry and Sharon Routley rode in the team competition and Caroline Thompson rode as an individual at 100cms. The report below was written by Caroline.

Carol Luxton on Foxy and Sian Brown on Halle rode as individuals at the National Championships in Lincoln at the end of August. They have each written a report of their experiences.

British Riding Clubs NAF Five Star National Horse Trials Championships, Swalcliffe Park Equestrian, Grange Farm, Swalcliffe, Banbury, Oxon

I headed up to Swalcliffe near Oxford for the Riding Club Championships having taken almost a week to pack my little lorry with everything I needed for four days for myself, my horse and for Hannah my daughter who was joining me on the Friday. Arrived safely after a brief stop at Tiverton Service station to pick up some spurs from instructor Tyler – thanks Tyler always putting herself out to help out. My friend from Yorkshire arrived at the same time with her trusty caravan Betsy that was to be our home for the duration and we unloaded Bear got him all checked in (this has to be in a bridle with your passport all ready) then got him settled into his accommodation. The stables are quite a distance from the caravan - especially if you feel the need to check your horse at least 20 times a day as I do !!!! – so taking bikes was certainly a good idea.

Friday morning was vet check so we got up early and spruced the boy and plaited him – only to return to find he had rolled in his stable and looked less pristine than we had left him! All ok with vetting and then did my dressage which we scored a reasonable 30.3 – although why he couldn't have pulled off some of the beautiful elevated paces he had shown on the show ground the night before I will never know. Quick change to go and steward for 3.5 hours in the dressage arenas and boy was it hot. So my friend and I having done our stint to cover the half day help for the Witheridge 90 team then headed to walk xc – determined to get it right I walked the course 3 times and jumped it several more in my sleep!! The 90 team started arriving and Andrew and Jenny managed to pitch next to us with Sharon and her trusty groom Alex only a row away. Emily was there too but we unfortunately didn't meet up.

Saturday was all go and I headed off to go xc in the midday heat while the team were doing their dressage and show jumping throughout the morning. It was certainly the most technical 100 course I have ridden and I saw several run outs and plenty of problems whilst walking the course again in the morning. Bear was full of it but jumped round clear although I picked up 3 time penalties (better than 20 for a run out I thought).

The team members all performed well. Jenny and Andrew were near the top of their sections after dressage and SJ with their smart mares, Queen and Autumn. Emily was rather disappointed with her dressage mark but a clear SJ from handsome Finn put a smile back on her face. Sharon and dear Holly were slightly frustrated after a solid test to have a rail in the SJ but they were still competitive and looking forward to the fun bit, XC.

At this point we thought the team were lying in 1st place and myself as an individual in 3rd so back at camp we were all feeling pretty pleased with ourselves and started to socialise with a glass or 2 of Prosecco. It was then time for the Quiz and well we can not only ride but we are pretty good at remembering stuff as we came 2nd in that. We must give credit to Andrew and Hannah who clearly spend far too much time in the pub at quiz nights!!!

Heading back to the camp I decided to go and check Bear on my bike – which wouldn't have been a problem if several lorries hadn't moved forward and changed positions – on my return in the dark I was looking for the lorry that I was next to in the dark and promptly rode past everyone at least four times up and down the rows of campers – it was only when I heard "there goes your mum again" that I eventually found my lorry – many laughs believe me.

Sunday everyone up early and xc day for the team and vet trot up and show jumping for me. Jenny and Emily had unfortunate 20 penalties on the xc but Andrew jumped a lovely clear (even after breaking his key on the Equitrek tack locker the day before and having to get a locksmith out, he still kept his cool!) Sharon also jumped a great clear with just a few time penalties. All was going well for me, vet trot up done and on to show jumping but we were all really struggling in the heat and though we started well, we tapped the second part of the double and the last fence was going down hill so we had that down too. My heart sank and I was so disappointed but that's eventing. We still ended up 8th in our section so overall I was delighted with my lovely Bear.

The team came 10th overall with Andrew and Autumn coming 5th individually for the whole competition and 3rd in his arena – so they did brilliantly.

To anyone who thinks they would like to try and qualify I can only say what a wonderful experience it is. To all be together doing something you love at national level with the support of your riding club and friends is truly amazing and I thoroughly encourage anyone to try and qualify. Thank you so much Witheridge Riding Club for giving us all this experience.

Caroline and Bear (Wilkismoor Wichita)

British Riding Clubs NAF Five Star National Championships Lincolnshire Showground, Grange-de-Lings, Lincoln

Another fantastic weekend representing the club with my mare Halle at the NAF summer championships. The weather was amazing and despite the long journey of over 6 hours, my mare quickly settled and gave me her best. We had qualified as individuals in both the 90 showjumping and the 85 style jumping. The style was first up and she jumped a lovely round albeit it a little forward and didn't start great as had a meltdown as soon as we went in ring and refused to move to begin with!!

Then a 45min breather and she again jumped clear in the 1st round of the 90 over an interesting but beautifully designed course. We then had a long break till our 2nd round over the 95 course. Unfortunately by then I think we both ran out of steam and collected a few faults. The long wait for the results of the style was then worth it as we ended up 8th. It's an honor to represent the club at this again but to collect a rosette finished my weekend on a high! Thank you WRC for supporting us and paying stable and entries.

Sian Brown

It's been a great pleasure to have represented Witheridge as an individual at the Nationals again, on a horse that wouldn't jump a pole just over 12 months ago! Our first round wasn't really up to height and didn't cause many problems. But the 2nd round was rather different, up to height, lots of fillers and quite tight turns. With all the team members going first it was causing a lot of problems. Foxy hadn't jumped much like this before. She jumped around like an exmoor stag! Sadly a pole at the first fence because she was looking at the steward not the fence was rather costly, but then jumped clear around the rest of the course. Rather annoyed with myself more than her, I was very pleased to finish well above half way on the score board with 122 horse jumping!

Carol Luxton

Riding club teams

The winter series of riding club team events are coming up. For new members and anyone who is not familiar with how WRC teams work, please see the explanation below and look at the BRC Handbook for 2018 <http://www.bhs.org.uk/enjoy-riding/british-riding-clubs/brc-handbook> .

For every discipline where we enter a team to qualify, we must have a team manager. The role of team manager involves:

1. Circulating the schedule and inviting members who have experience in the relevant discipline to come forward.
2. In cases where there are more riders for a team than spaces, the team manager will ask riders to provide information as to previous experience and competition results.
3. Sorting entry forms and vaccination certificates and liaising with Maggi (club treasurer) about payment of fees.
4. Collecting any team colours from Caroline (club chairman).
5. Attending the Area Championships (qualifying competition for the National championships) and supporting the teams.
6. Sorting entries, booking stables, etc, if a team qualifies for the National Championships.

Team managers can be members who want to be in a team or any member who would just like to be involved. Helen Goff who is, at the moment, a non-riding member, acted as manager for the very successful Horse Trials teams this year. She went along with the teams to the Area qualifier but did not go to the National Championships.

There is currently a very large number of qualifying competitions within Area 12 (see list below). We run one of them (FOTH Combined Training) and other clubs run others. We do not always send teams to all of the qualifiers but particularly like to enter capable teams in the summer ones. We also send teams not aiming for the National Championships to compete at the Area Championships (same competition as the qualifiers).

If you would like to be in a team or if you would like to support a team as team manager, please contact Caroline Lowes caroline@dlowes.com or Tamsin O'Connor tamsinandsteve@hotmail.co.uk

Area 12 Competitions 2018/9

These competitions are open to Senior and Junior members. They are for individuals and / or teams of 4. We can enter qualifying teams and / or non-qualifying teams (or individuals). The standard of competitors is usually very high and the jumping courses are always up to height, so you must be currently competing confidently at the appropriate level, particularly if part of a qualifying team. Schedules will be on the BRC Area 12 website at www.brcarea12.org.uk and circulated by e-mail as and when they become available together

with further details, but if you would like to take part as a team member please do register your interest in advance. Please check the BRC Handbook to check that you and your horse are eligible for the class you wish to compete in <http://www.bhs.org.uk/enjoy-riding/british-riding-clubs/brc-handbook>.

Please note, if entering a qualifier: As well as the Area entry fee there is an additional BRC fee (preliminary entry fee) per class which is around £7.25/team member and £9.00/individual. Your horse must have up to date correct vaccinations. You must be prepared to compete at the Championship should you qualify as part of a team, the club will help towards Championship entry fees and stabling but you need to pay your own fuel / transport fees.

Riding club sweatshirts, rugby shirts etc Don't forget you can order WRC embroidered hoodies, polo shirts and jackets from Margaret at Maritime Motifs South Molton tel. 01769 572727 or e-mail maritime-motifs@hotmail.co.uk Orders can be payed by BACS or credit card and can be posted direct.

Dressage to Music CDs

Following the DTM training session last year we have available CDs with associated Prelim test that members can borrow. The CD has music by Mantovani with walk, trot and canter movements. The CD was purchased from Sapphire Sounds who are a good source of music for dressage. Contact Ros Fisher-Smith if you want to borrow a CD stating whether your horse's paces are similar to a 15hh or 16hh.

Many thanks to everyone who has contributed to this newsletter. Any items of interest for the next newsletter please send to Ros Fisher-Smith at fishersmith@eclipse.co.uk
